

## **Numisbing Limited invest USD 1 Million in its Collectibles Fund**

**STOCKHOLM, 14 of June, 2019 – Numisbing AB announced that its Dubai based subsidiary Numisbing Limited has invested USD 1 Million (SEK 9.4 Million) into Class ‘A’ of Collectibles Fund segregated portfolio as per 31 May 2019 NAV of USD 142.4068 per unit (Bloomberg : CABCO SP:KY). This investment will be utilized by Collectibles Fund to acquire more Numismatic items to its existing portfolio.**

*–“Due to high appreciation in the collectibles market over couple of years, the fund showed an exceptional growth rate of over 28 percent in the year 2018, and 11 percent growth in first 5 months of 2019. Hence we have committed to invest up to USD 4 Million into the Collectibles Fund within this year.”* said Numisbing Founder & Chairman, Ramkumar Sarangapani.

It is also to be noted that Numisbing Limited acts as an Investment Advisor to the Collectibles Fund.

### **About Collectibles Fund:**

*The Collectibles Fund Segregated Portfolio, managed by Cabaritta Funds SPC, is a closed-end fund incorporated in Cayman Islands in 2017. The Fund’s objective is asset appreciation and mainly invests in collectibles assets and artwork, targeting an annualized return in excess of 10 percent. Currently it has six different asset class with separate portfolio based on the different types of investments.*
